RACE TO THE TITLE
2009 USSSA
Summer International Championships

Press Release: December 17, 2008

The McHenry County Youth Sports Association (MCYSA) is pleased to announce that Larry Freck has agreed to join the board of directors of the not-for-profit organization. MCYSA has hosted the annual youth baseball Summer International Championships for the past 16 years in Crystal Lake and surrounding communities.

Mr. Freck has been involved with the event in various capacities on the tournament committee over the past twelve years. Freck, of Crystal Lake, previously served as the president of the Crystal Lake Cyclones Travel Baseball organization. The Cyclones are one of the Host organizations that partners with MCYSA to put on the summer baseball extravaganza.

Freck will continue to assist with actual event operations but will also serve as the primary recruiter for the 15U, 13U, 11U and 9U age group tournaments that will run concurrently from July 24th to August 2nd this coming summer. Freck is utilizing his overseas business contacts to actively recruit additional International teams for the event and is pursuing new United States travel organizations as MCYSA continues to improve and expand upon its successful 16-year run as one of the premier youth baseball tournament organizations in the country.

Along with the annual Summer International Championships, MCYSA is co-sponsoring three additional youth baseball tournaments and three girls fast pitch softball tournaments beginning in April and culminating in mid-September. Those six events will bring an additional 200 youth baseball and softball teams to Crystal Lake and McHenry County for 2 and 3-day tournaments.
